Describe tumbler(s) being returned for replacement:
Over the years, Tervis has redesigned or discontinued select designs to keep our line up to date. Please indicate what you would like your tumbler(s)' design replaced with by selecting one of the options below. In the event your original tumbler(s)' design cannot be reused or has been discontinued and **you do not specify an alternate non-licensed* design, Tervis will replace with a similar design or in some cases a clear tumbler.** A complete list of current designs is available at Tervis.com (subject to availability). *Attach additional pages if needed.*

Please check all boxes below and sign at the bottom. Replacement requests will not be processed without acceptance of the following. Please contact Customer Care at 1-866-TUMBLER if you have any questions before submitting request.

- I have checked the bottom of my tumbler(s) and it says Tervis Tumbler.
(If the Tervis name is not on the bottom, it is not a product of Tervis and therefore not replaceable.)
- I understand that lids & straws do not have a lifetime guarantee and cannot be replaced.
(Please do not ship lids or straws with your replacement request.)
- I understand that I will receive a clear tumbler(s) as my replacement if my original tumbler(s)' design cannot be reused or has been discontinued and I did not choose an alternate non-licensed design above.
- Any requests for new items to be ordered cannot be included with replacement request.
A new order may be submitted online at Tervis.com or by phone (1-866-TUMBLER).
